

February Youth Rally 2013

Last night was our Feb Youth Rally, and it was a great time. We had 50 people for our meeting, a big thank you to all who came to support the youth! The day included community service projects for both youth and junior members. Speaking of junior members we had 10 children join us at the rally! The day also included information from committee directors.

The Youth and Junior Departments shared a Community Service Project during Winter Youth Rally on February 2nd. The children present decorated paper sacks with Valentine designs and the youth members filled valentine treat bags with cookies and candies. The treat bags were then put into the paper sacks. The project was fun to do and was happily received when delivered to the NH Food Bank

Pictured below is Melanie Gosselin, NH Food Bank Director, receiving the treats, created by NH State Grange Youth/Juniors.

I also would like to share something from our youth director Sherrill. To our youth, we are working on our communication. We will be using our face book page, emails and whatever else we need to do to get our news out there.

I would also like to thank Marie Hall who accompanied us on the piano, and did a fantastic job! Thank you Marie!
