***CONTRIBUTE TO THE RANDALL RICHARDSON MEMORIAL FUND** **20 POINTS**
Randall Richardson was an active member of NH State Grange. He served as a Deputy State Master, was an elected state officer and was appointed the first Membership Chairman of the NH State Grange by State Master John L. Saturley. He was a strong supporter of the NH Youth Program and would often financially help any youth that was not able to attend youth activities because of the cost. A fund was established after his death at the request of his family to help meet the costs of youth travel, such as youth members attending National Session, especially for Youth Ambassadors, Youth Officers, and Public Speaking and Sign-A-Song winners. The Youth committee receives donations each year from individual Grange members, Subordinate, and Pomona Granges and the donations are added to the fund. From this fund we are able to use the interest earned to cover the cost of youth travel.

***CONTRIBUTE TO THE JODI BAILEY YOUTH FUND** **20 POINTS**

Jodi Thomas Bailey (1967 – 1991). This Youth fund was named in her honor, because it was her idea and desire that financial aid be offered to all Grange youth, that they could enjoy the fellowship and advantages gained from attending youth conferences. She was a very active member of the Grange and especially of the Youth program. Some of her accomplishments were: NH State Grange Female Ambassador in 1987, National Female Ambassador in 1988, Chairman of the Deaf Activities Committee and Sign-a-Song winner who competed at the National level. With her courage and commitment she stayed very active during her brief lifetime. It is through the donations by Granges that this fund is able to keep giving in her memory. Members age 14-35 may request financial aid to attend the Summer Youth Rally or Northeast Regional Youth Conference.

Applications must be submitted to the Youth Director by May 1. They must be signed and sealed by the Subordinate Secretary, signifying that the member is in good standing. All requests are confidential. The amount of funds available will be limited to 50% of the funds in the account as of January 1, 2023. The Youth Director will notify recipients the amount of their award.

***CONTRIBUTE TO THE NATIONAL YOUTH FUND** **20 POINTS**

Donations to The National Grange Youth Leadership Foundation are extremely important, as they provide crucial support to the National Youth Program. There are many wonderful programs offered on the National level.
